

## **Protection of Personal Information Act (POPIA) Consent**

Skin Sense Day Spa takes data privacy very seriously. The **Protection of Personal Information Act (POPIA)** gives effect to this constitutional right of privacy by requiring safeguards for personal information processed by public and private bodies and comes into effect 1 July 2021. Skin Sense Day Spa adheres to both worldwide and local data protection laws (**POPIA**), and has viewed the introduction of new privacy laws as an opportunity to further enhance our data privacy and information security standards, and the efficiency with which we process personal data.

We have embarked on the POPIA compliance journey and have ensured that we adhere to the **Principles of POPIA**. We have appointed an Information Officer and Deputy Information Officers to ensure that personal information of our customers, suppliers and employees are protected. Training has been provided to ensure all relevant employees have an end-to-end understanding of the rights of the individual whose personal information we process.

Should you have any queries regarding our compliancy, please contact us on [bookings@skinsense.co.za](mailto:bookings@skinsense.co.za).

Yours sincerely
